Game knights occur every other Tuesday each month and this month MAPS hosted two where we played Among Us. Different games will be played in the following months so be sure to join us for the next one!

Study Knights

Every Thursday @6-7pm

MAPS Study Knights are every Thursday from 6pm-7pm. This is the place to be if you need help in a class or just some company while you study. We play Jackbox on the 4th Thursday of every month so mark your calendar!

Phlebotomy Course 10/9

There are many opportunities that are available as a MAPS member. This month, a phlebotomy course was offered to our members where they were able to earn a phlebotomy certificate!

The event is virtually hosted through zoom and certification is awarded upon completion!

Career Panel

10/10 @2-4pm

This month MAPS hosted the first career panel of the semester. Multiple doctors as well as a physical therapist were invited to share their experiences as well as answer questions during our Q&A session!

Two different virtual escape rooms took place this month with exciting themes! MAPS members worked together to try to escape as fast as they could. Can you escape?
